

Help businesses and people exceed their goals and live their vision.

Jo Anne White, PhD, engages global audiences through her interactive and imaginative programs that offer practical applications for personal and professional growth. Dr. White inspires people and companies to overcome challenges, become more motivated, productive and innovative, and create strong relationships for success. Each program or seminar is tailored to meet the unique needs of you, your company and the time available.

Thousands of men, women and businesses also benefit from Dr. White's Total Sense® Life & Work Success programs, publications and CDs.

The Success Doc

Internationally acclaimed author, motivational speaker, certified business and life coach, Dr. White has been featured in print and throughout the Internet, including WebMD, CNN.com, Good Housekeeping and Woman's World.

An in-demand guest on radio and television, Jo Anne White has appeared on NBC, CN8, World Talk Radio, and Voice of America, to name a few.

Inform and engage your audience like never before
